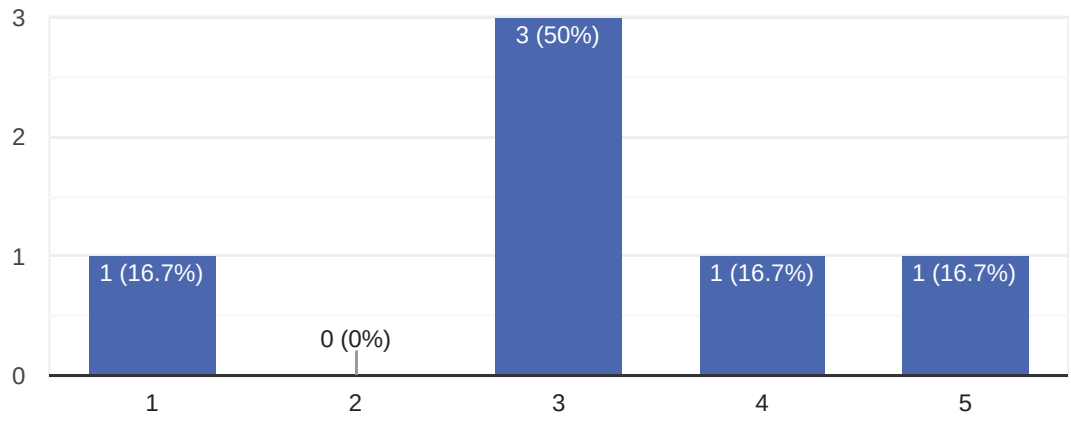
How important are printed materials?

6 responses



Please tell us why you need or don't need paper printed materials

4 responses

Can be useful to make some remarks on paper

electronic copies are really usefull (copy/paste feature) and easy to transport (smartphone can be use to get materials)

electronic is preferable

Le support papier, dans mon cas, était indispensable car je n'avais pas mon PC perso. Mais le mieux est sans doute de s'en passer (du papier) d'autant que l'on pourrait même avoir un support plus interactif.

How knowledgeable was the instructor?

Suggestions and comments

1 response

Grégory à une excellente maîtrise de son sujet, et c'est tant mieux sinon autant se contenter d'internet ;-)
Nous pouvons échanger de cas concrets, de bonnes méthodes, etc...

Was the instructor helpful with practical labs?

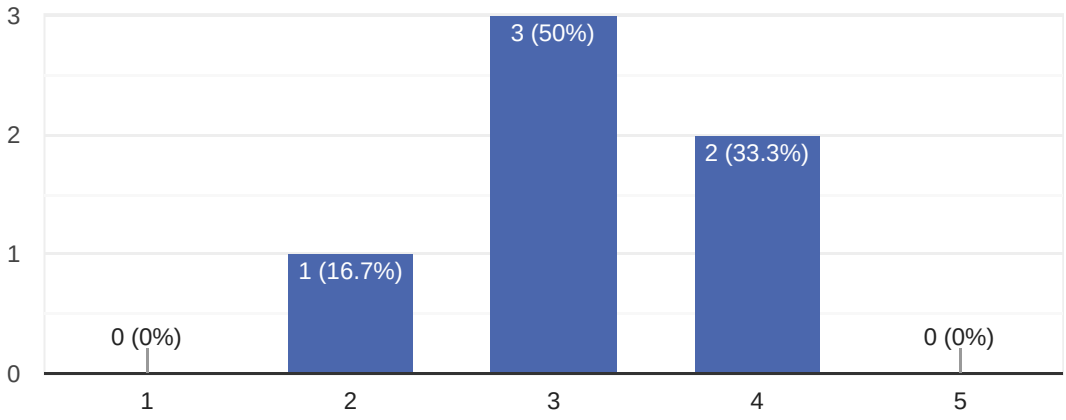
très bien pour illustrer la vrai vie... et les vrai problèmes

How difficult were the training labs?

6 responses



Comments and suggestions

2 responses

very helpful when dealing with subject I'm not aware of or never used before

mon niveau initial: très bas, donc TP très utiles, et pas sis simple. mais LE TP sur UBI me semble vraiment trop confus.

Was enough time dedicated to practical labs?

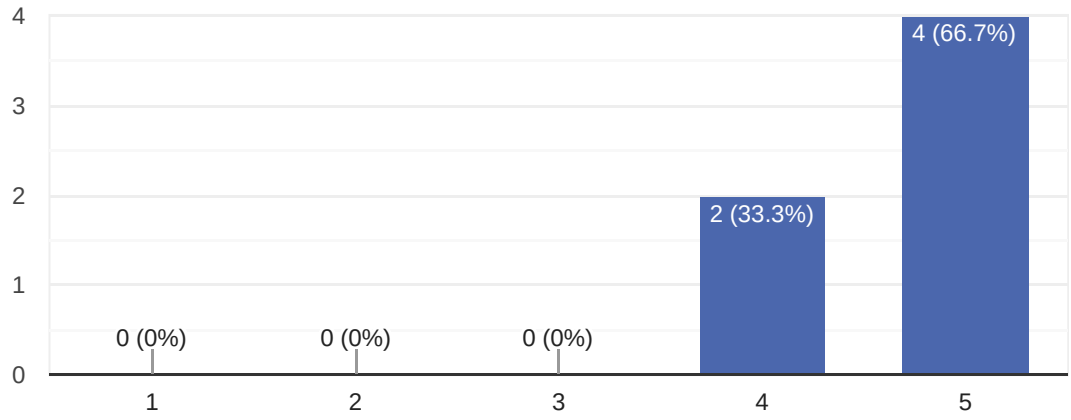
How much did you learn?

6 responses



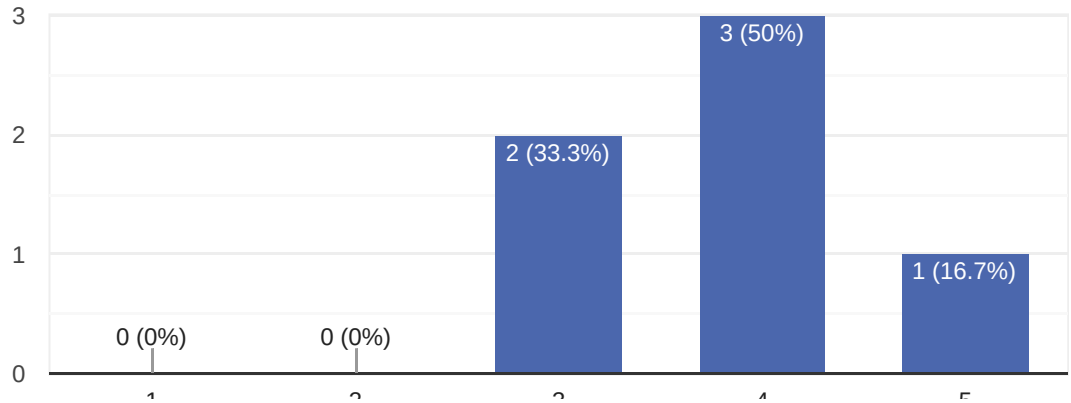
Comments and suggestions

1 response

missing subjects was not in the course objectives.

How useful should this course be in your daily job?

6 responses



Comments and suggestions

1 response

the goal was to spread knowledge in the team, but we do not necessarily work that deep on our target every day

What part(s) of the course did you like most?

4 responses

flash/filesystems & Linux RT

Everything is useful and very interesting for me

real time part - praticals labs

flash & FS, especially ubi/ubifs + create rootfs from scratch by hand then with buildsystem

What part(s) of the course did you like least?

5 responses

UBI

R.A.S

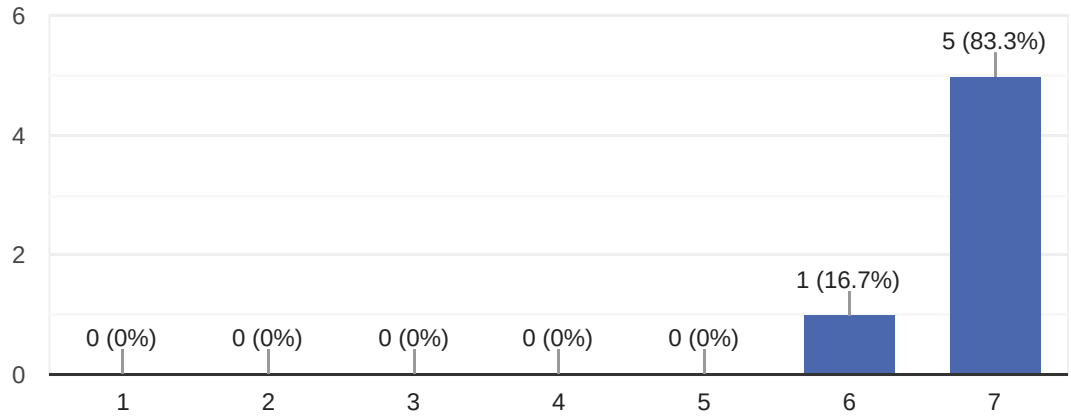
A lot of knowledge is required to use UBI, not easy to use but very interesting

PREEMPT_RT : good to know it, but not a topic I'm interested usually

UBI, de part son TP. Mais sa partie présentation est bonne

Overall rating

6 responses



Comments and suggestions

1 response

Vraiment très satisfait de la qualité de ce cours, du rythme et de l'implication donné par l'instructeur

Further training needs?
