1   2   3   4   5

## Please tell us why you need or don't need paper printed materials

2 responses

I think, we can follow the training without the printed copy of the slides. They are available in your website.

available online

How knowledgeable was the instructor?

7 responses

6 (85.7%)

0 (0%)   0 (0%)   0 (0%)   1 (14.3%)

What part(s) of the course did you like most?

4 responses

How to create recipes and images, how to debug and how to preperly use bitbake ocmmands

Yocto recipes and how flexible and powerful it is

Labs (work with real hw)

practical part

What part(s) of the course did you like least?
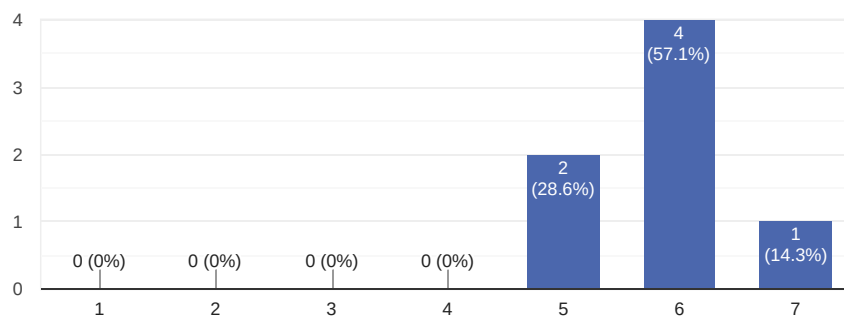

3 responses

None specially

BSP because it's too low-level for my day to day, but I understant why it must be taught

All was Ok

Overall rating

7 responses

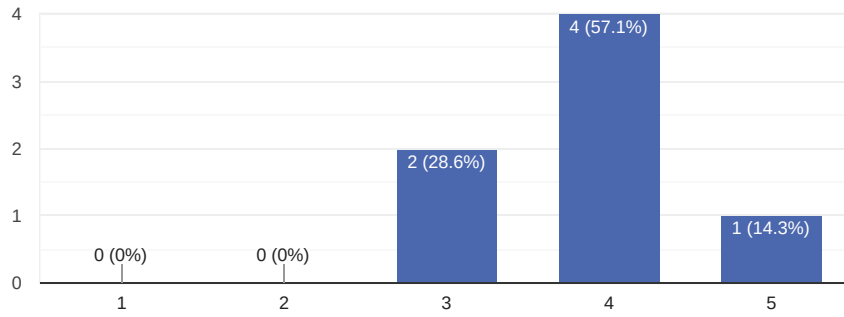

Comments and suggestions

1 response

maybe explain in the beginning that in the end of the course you will explain a easier way to work on a daily basis that does not involve messing around with all the configuration files (if you are a developer)

## Further training needs?
