As usual, an excellent training with bootlin!

Overall I'm pleased, the course explained a lot of concepts and showed how Yocto works.

It would be good, if practical demos were recorded or the solution to labs better documented.

## How would you rate the overall organization of the course?

Luca is a very good trainer, he knows very well the topic, he is a great teacher

Very knowledgeable, presenting in an interesting way, keen to answer every question.
