The course content was really good, I just feel that doing it in three days made it feel very long due to the amount of information. I would suggest spreading it over a fourth day allowing ample time for the labs.

## How useful were the lectures?

### Comments and suggestions

1 response

Sometimes it was to much info.

### What part(s) of the course did you like most?

4 responses

the labs

The practical labs

Labs, works best for me

The labs

### What part(s) of the course did you like least?

4 responses

the lectures, they were a little dry (completely understandable, and probably necessary)

N.A.

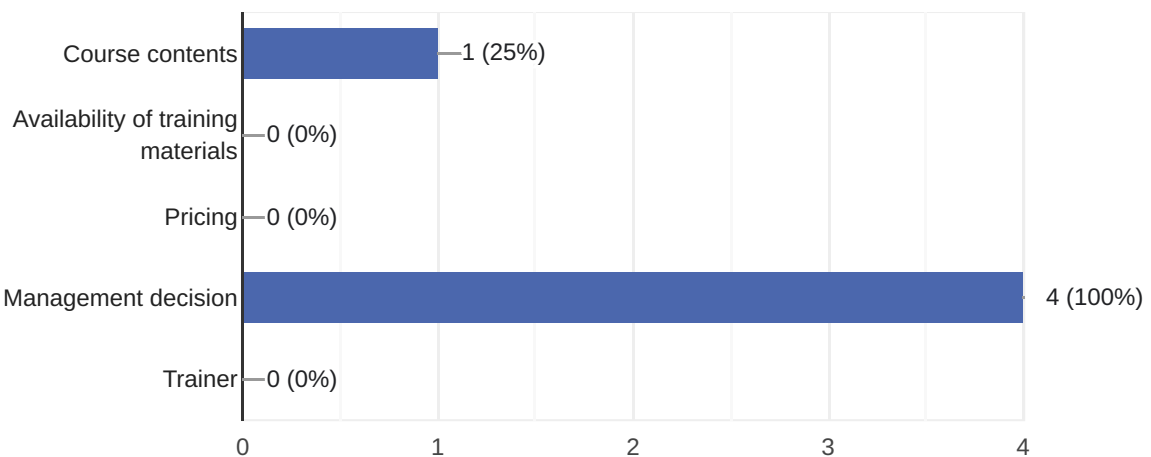

To much theory

Sometimes the theory parts were too long. I would suggest shorter bursts of lecture and then lab time.

### What reasons prompted you to choose a Bootlin course?
