

Sensor

A light blue vertical rectangle labeled "Sensor" is on the left. To its right, there are several pairs of horizontal lines representing signal paths. The top pair is labeled "clk+ / clk-". Below it is another pair labeled "dp1 / dn1", followed by a pair labeled "dp2 / dn2". At the bottom, there are three dots on both the line side and the label side, indicating more connections.

clk+ / clk-

dp1 / dn1

dp2 / dn2
