How useful were the practical demos?

3 responses

Comments and suggestions

2 responses

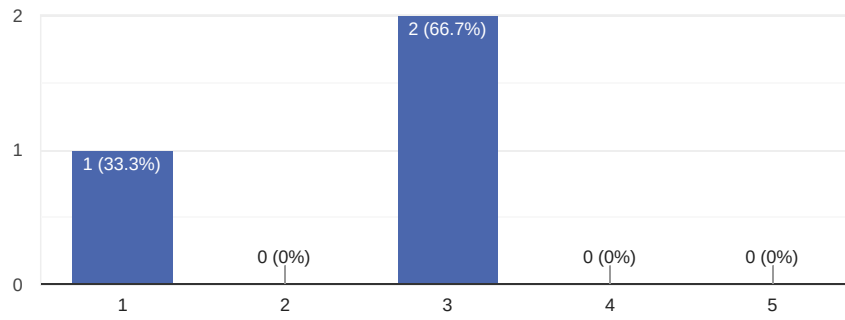

Would be really nice to find a way to do the labs with the instructor available, but of course there is a challenge with being able to look at the hardware etc.

Hands-on > demos

Was enough time dedicated to practical demos?

3 responses

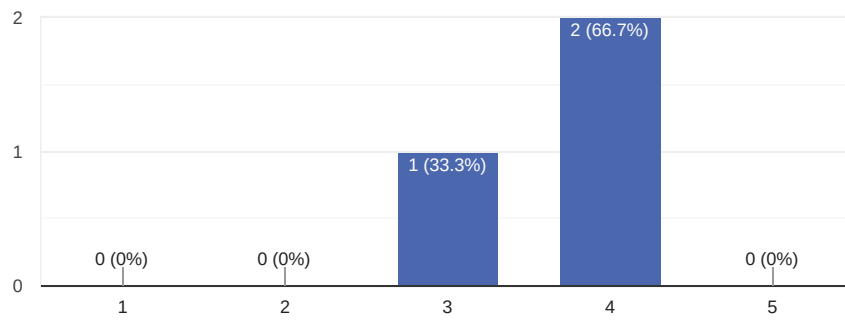

Comments and suggestions

1 response

Because it was online.

How well was the course organized (program, registration, schedule...)?

3 responses

Comments and suggestions

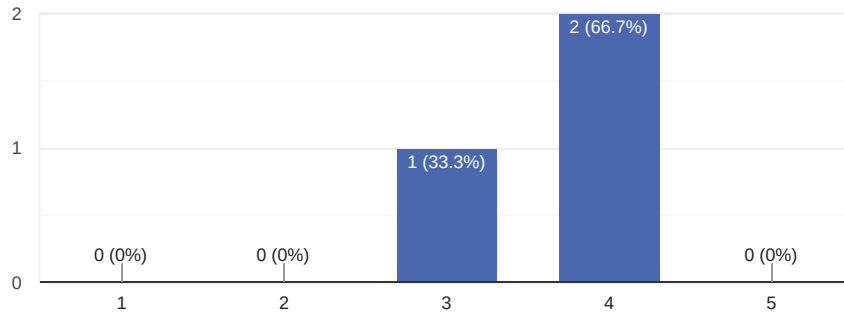

1 response

We should have probably communicated our timing schedule better but Alex adapted easily

How much did you learn?

3 responses

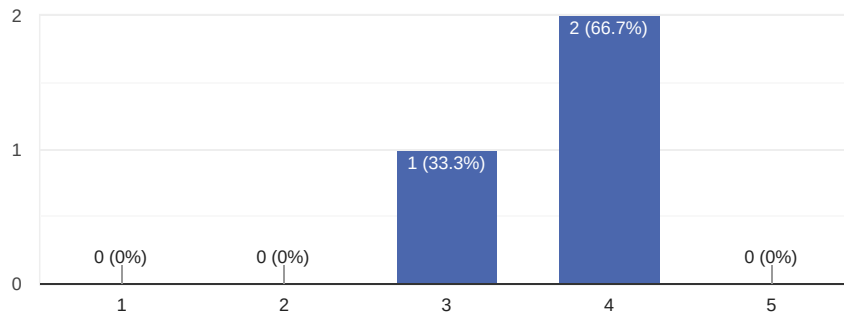

Comments and suggestions
